

CITY CONTEST TO CLOSE

MARCH 6TH AT 6 P. M.

At that time the ballot box will be closed and no more votes in favor of either of the city contestants will be received.

Miss Elizabeth Graves or Miss Grace Honor Goodloe

will win the handsome Smith & Barnes Piano.

Have You Helped Your Favorite?

If not do so at once. Each new subscription means 500 votes—each old one 100. The INTELLIGENCER is \$1.00 a year and well worth the price. So give your subscription to one of the contestants or hand it in at the office with instructions as to who is to receive the credit.

Next week 24,000 free votes will be given for every \$20 turned in. Between February 20th and 27th 23,000 free votes will go for \$20. Between February 27th and March 6th—the last week of the city contest—the free offer will be 22,000. So the quicker the subscriptions are turned in, the more they will count.

The county contest will be continued a short time longer on account of the weather, which prevented the young ladies from doing their best work. Help one of the contestants.

Often The Kidneys Are Weakened by Over-Work.

Unhealthy Kidneys Make Impure Blood.

Weak and unhealthy kidneys are responsible for much sickness and suffering, therefore, if kidney trouble is permitted to continue, serious results are most likely to follow. Your other organs may need attention, but your kidneys most, because they do most and should have attention first. Therefore, when your kidneys are weak or out of order, you can understand how quickly your entire body is affected and how every organ seems to fail to do its duty.

If you are sick or "feel badly," begin taking the great kidney remedy, Dr. Kilmer's Swamp-Root. A trial will convince you of its great merit.

The mild and immediate effect of Swamp-Root, the great kidney and bladder remedy, is soon realized. It stands the highest because its remarkable health restoring properties have been proven in thousands of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in fifty-cent and one-dollar sizes. You may have a sample bottle by mail free, also a pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing to Dr. Kilmer & Co., Binghamton, N. Y. Don't make any mistake, but remember the name, Swamp-Root, and don't let a dealer sell you something in place of Swamp-Root—if you do you will be disappointed.

THE POWER OF STEAM. Many May See But It Takes Genius to Realize.

When James Watt saw the steam causing the kettle lid to jump up and down he said "There must be power in that steam that it can lift such weight." There was. Millions prior to him had seen the same phenomenon and regarded it as an unexplained mystery. Recent scientific research has not only proven the "cause" of Watt's discovery, but has unearthed a tiny germ which is the life from the roots of human history. Newbro's Herpicide destroys the germ and consequently restores the life to its natural state. Sold by leading druggists. Send 10c stamps for sample to The Herpicide Co., Detroit, Mich.
